Camping: We have some dry camping on the range if your rig isn't too big. Call us for information. There are several Campgrounds on Greers Ferry Lake run by the Corps of Engineers go to www.reserveamerica.com . Heber Spring Park is the closest to the range about 3 miles and Dam Site Park and the JFK camping area below the dam are about 6 miles.

From our web-site www.outlawcamp.com if you go to the About Us page just above the Directions to the range you can click on the small "go here" and it will take you directly to www.swl.usace.army.mil/parks/greersferry/index.htm . This is the Greers Ferry Lake site and from the Recreational Activities Tab you can check out the camping areas on the lake and go to the Heber Springs Chamber of Commerce site under related links on that page. Here you may find more information about lodging camping etc.
